

Directions for Using the Excel Spreadsheet File to Compile FY15 Annual Minority Business Procurement Awards Report Data (FORM 1 & 2 Spreadsheet)

The Governor's Office of Minority Affairs (GOMA) continues to simplify the reporting process by preparing Excel spreadsheets for agencies to complete and submit. The spreadsheets are color coded to assist the using agencies in entering the needed data. Once the data is entered and saved, the agencies are to email the completed spreadsheets as an attachment to GOMA. Spreadsheets are located here:
<http://goma.maryland.gov/Pages/Reporting-Tool-MBE.aspx>

Instructions for completing the spreadsheets follow.

Please Read: The spreadsheets are used to enter contract awards data. This data is different than actual payments data. “**Contract Awards**” would be the anticipated amount of the base period of the contract when it was first awarded or renewed. “**MBE Subcontract Awards**” would be the prime contractor's commitment when the contract was first awarded or renewed. “**Actual Payments**” are the confirmed payment amounts actually paid for services rendered or products purchased.

The spreadsheet file contains two spreadsheets that are linked with formulas that will calculate contract awards by (1) MBE Classification and (2) Procurement Category. The spreadsheets are password protected to prevent the accidental overwriting of formulas needed to calculate the minority participation totals and percentages. There are two spreadsheets that require department or agency data input.

Completing Reporting Form #2 (first tab at the bottom of the screen)

It is recommended that agencies complete Reporting Form #2 first. This spreadsheet is subdivided by (1) MBE Classification and (2) Procurement Category. These subdivisions are listed below. Agencies are to continue providing data for dually-certified firms and certified disadvantaged firms (highlighted).

MBE Classification – Column Titles

- African American
- Asian American (includes Sub-Continent & Pacific Asian)
- Hispanic American
- Native American
- Woman
- African American Woman
- Asian American Woman
- Hispanic American Woman
- Native American Woman
- Disabled
- Non-Profit (Certified)
- Community Service Provider (formerly Sheltered Workshop) (Certified)
- Disadvantaged

Procurement Category – Row Titles

- Architectural/Engineering
- Construction
- Construction-Related Services
- Maintenance
- Services
- Supplies & Equipment
- IT Services
- IT Supplies & Equipment
- Human, Cultural, Social & Educational Services
- Corporate Credit Card (MBE Prime Only)
- Direct Voucher (MBE Prime Only)

The yellow cells of this spreadsheet are the areas designed for data input. The blue cells contain formulas and are write-protected. In addition, the worksheet is also write-protected to avoid unauthorized alterations.

The top input area is entitled “*Total Subcontract Awards by MBE Classifications and Procurement Categories.*” This is where you will enter the MBE subcontract awards data. Enter the subcontract awards data in the yellow cells as appropriate. For example, if you have African American subcontract awards data for “Construction”, you would enter the **total dollar value** of all African American construction **subcontracts** awarded during the fiscal year. Next, you would enter the **total number** of all African American construction subcontracts awarded during the fiscal year. The same would be completed for each MBE classification and procurement category as appropriate (see Figure 1).

The next input area is entitled “*Total Prime Contract Awards by MBE Classifications and Procurement Categories.*” This is where you will enter the MBE prime contract awards data. Enter the MBE prime contract awards data in the **yellow cells** as appropriate. For example, if you have African American awards data for “Construction”, you would enter the **total dollar value** of all African American construction **prime contracts** awarded during the fiscal year. Next, you would enter the **total number** of all African American construction prime contracts awarded during the fiscal year. The same would be completed for each MBE classification and procurement category as appropriate (see Figure 2).

IMPORTANT NOTE: The addition of the dual-certification categories eliminates double counting of firms certified as Women and one of the other ethnic categories. For example, awards to firms certified as “Hispanic/Female” in the MDOT MBE Directory would be included in the “Hispanic Women” column of the input areas. Similarly, awards to firms certified as “Female/Asian” in the MBE Directory would be included in the “Asian Women” column.

When you have entered all of the information by MBE classification and procurement category as appropriate, the **blue cells** will calculate total dollars awarded and total contracts awarded. This information will be calculated by MBE Classification in the bottom **blue cells** and calculated by Procurement Category in the **blue cells** to the far right. Figure 2 illustrates the blue calculated fields previously discussed.

Beginning with FY 2009 reporting, a third input area was added, “*Total MBE Prime and Subcontract Awards by MBE Classifications and Procurement Categories.*” This table does not require any data entry, and all of the cells are in blue to indicate that it calculates the total MBE prime & subcontract awards entered in the previous tables. Figure 3 illustrates the automatic calculations.

The yellow cells and Notes section of this spreadsheet are the areas designed for data input. The blue cells contain formulas and are write-protected.

Note: You must enter data in the appropriate yellow data cells of this spreadsheet for the MBE participation percentages to calculate. Data entry, by Procurement Category, must be entered in the yellow cell columns identified below.

- **Total # All Prime Contracts (Including MBE)** – Enter the **total number** of all prime contracts awarded by your department/agency for the fiscal year. This would include the **total number** of prime contracts awarded to non-MBE and MBE contractors.
- **Total All Prime Contracts Dollar Value Awarded (Including MBE)** – Enter the **total dollar value** of all prime contracts awarded by your department/agency for the fiscal year. This would include the **total dollar value** of prime contract awards to non-MBE and MBE contractors.
- **Total # of Prime Contract Waivers** – Enter the **total number** of all prime contracts that received MBE Participation Goal Waivers by your department/agency for the fiscal year. Be sure to include the **total number** of all MBE prime contracts that received MBE Participation Goal Waivers for the fiscal year, if appropriate.
- **Total Dollar Value of Prime Contract Waivers** – Enter the **total dollar value** of all prime contracts that received MBE Participation Goal Waivers by your department/agency for the fiscal

year. Be sure to include the **total dollar value** of all MBE prime contracts that received MBE Participation Goal Waivers for the fiscal year, if appropriate.

Figure 5 shows a picture of the yellow input cells where the data discussed above is entered. **Please remember** that the MBE participation percentages **will not calculate** if the appropriate information is not entered in the **yellow cells** as illustrated below.

After you have entered all of your data in the appropriate **yellow cells**, make sure that you enter the required information in the cells located below the data cells. Please enter the following information in the appropriate locations:

- Authorized by – The name and title of the department/agency head
- Date – The authorization date
- Prepared by – The name and title of the person who prepared the report
- Date – The date that the report was prepared by the preparer
- Telephone – The telephone number of the preparer
- Email address – The email address of the preparer

Please make sure to save the file after you have entered the data on Reporting Form #1.

Additionally, please remember to save a copy of the spreadsheet file for your records. If corrections are required, you can simply make those corrections and resubmit your corrected input to GOMA. Please indicate that you are re-submitting a corrected spreadsheet when you transmit your file.

Avoid Double Counting AWARDS!

MBE Subcontractor participation that is awarded as a part of a contract awarded to a MBE Prime cannot be counted twice. If the procurement agency reports the full value of a MBE prime contract in the MBE Prime category, it cannot also report the MBE prime's subcontract participation in the MBE subcontract categories. For example, if you have an African American prime contractor, you would report the total value of the prime contract only. You would not report the value of the MBE subcontracts awarded by the MBE prime contractor. To do so would result in double-counting the value of MBE subcontracts.

Technical Support Availability

GOMA will provide technical support for those who need assistance entering data into the spreadsheet. This assistance is on a "first come, first served" basis.
